About S.S. Lootah International

S.S. Lootah International (SSLI), the global business and investment arm of the Dubai-based conglomerate S.S. Lootah Group, focuses on innovative and eco-friendly entrepreneurial initiatives and projects that cater to national and regional economic growth and delivers tangible, economic, social and environmental benefits. Envisioned in 1999, SSLI has made quick strides to become a key entity handling multi-billion dollar development projects catering to more than 3 billion people from Asia to Africa and Europe. SSLI will continue to build progressive alliances with key stakeholders across various industries (energy, construction, industrial, telecommunications, environmental research and sustainable development sectors) and pursue knowledge creation and sustainable models across all its business endeavors. Please visit www.sslootahinternational.com for comprehensive details.
